# SINTESIS DE ARTICULO

- Titulo

Autores, Revista y portal de busqueda

- [Sprinzl GM](#) , [Riechelmann H](#) .
- [Gerontology](#). 2010;56(3):351-8. Epub 2010 Jan 12.
- <http://www.ncbi.nlm.nih.gov/pubmed/20090297>

Antecedentes del problema.

Objetivo Cual fue e propósito del estudio?

- Método de la búsqueda bibliográfica (ejemplo pubmed se realizo con las siguientes palabras.....
- Resultados cuantos artículos fueron considerados
- Conclusión va encaminado al articulo  
descripcion corta de los corticoides y los  
resultados encontrados en ese articulo

# VALIDEZ INTERNA

**Describe el tipo de diseño, significancia estadística, debilidades y fortaleza del estudio según corresponda a la pregunta a responder.**

Artículo	Tipo de diseño	Significancia estadística	Debilidad	Fortaleza
Titulo	Revisión bibliografica		No se describe detalladamente la metodología utilizada	Analizar 431 articulos en pubmed.

# VALIDEZ EXTERNA

- Describe adecuadamente la significancia clínica o estadística de la evidencia extrapola los resultados y busca su aplicación para responder la pregunta planteada.

# CONCLUSIONES PERSONALES

- Emite con sus propias palabras el aprendizaje significativo en la toma de decisión al escenario clínico.

# Dudas?

# ¿Preguntas?
